

Industry Price List 2018
Region: BENELUX
valid from: January 01, 2018

The prices in this price list are to be understood as recommended selling price (RSP) in euro (€) per piece in the respective version for industrial customers, VAT not included (gross pricelist). With validity of this price list all previous lists and conditions are replaced. Our catalogue 2018 shows detailed descriptions of the products and services offered. It is available for download on our homepage. Our general terms are applicable in their respective current version. senator® reserves the right to verify and change RSP and general terms of delivery and payment. All rights reserved.

Price list pen collection

Further information of brandings		
Pens	To achieve a better printing result it is sometimes recommended to print a white layer underneath the print or to apply the print twice. In these cases printing charges are invoiced once more.	
Pens	For prints on transparent pens we recommend to use colours in strong contrast to the pen colour to achieve an optimum legibility of the print.	
Pens	Owing to the surface of metal writing instruments the resistance of print colours is not comparable to prints on plastic pens.
